

# PROJECT FLOW

Team ID: PNT2022TMID45847

Project Name: Visualizing and Predicting Heart Diseases with an Interactive Dash Board

## IBM Cloud Account

The screenshot displays the IBM Cloud Dashboard interface. At the top, the browser address bar shows 'cloud.ibm.com'. The dashboard header includes the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Jothivel T's Account'. The main content area is titled 'Dashboard' and features a 'Create resource' button. Below this, a 'For you' section offers several guided paths: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Set up your IBM Cloud account' (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Create an OpenShift cluster' (Deploy apps on highly available clusters with Red Hat OpenShift on IBM Cloud), and 'Build a Cloud (IaaS)' (Upgrade to create a new project). Each path includes a 'Getting started' button and a time estimate. The bottom section contains 'User access' (Manage users), 'News' (All About IBM Storage's Price and Supply Guarantee), and 'Planned maintenance' (View all).
